

## FUNERAL SERVICE PROGRAMS FOR MEMBERS OF THE MILITARY

Many funeral service education programs offer part-time remote options that are ideal for Active-Duty, National Guard or Reserve members of the military. Many also have a veterans/military resource coordinator. You can train to become a funeral director from anywhere in the world while you're still serving. Reach out to one of these programs and get started today. Learn more at [RememberingALife.com/Military](https://RememberingALife.com/Military).
